**Email: JLJTAICHI@SBCGLOBAL.NET**

**County Commissioners:**

**Address: 125 Courthouse Square**

**City: Frankfort**

**Zip Code: 46041**

## **Plan Summary**

**Mission Statement:** The mission of the Clinton County Drug and Alcohol Coalition is to reduce the incidence and prevalence of substance abuse and addictions among adults and children through prevention/education, treatment and judicial/law enforcement.

**History:** Clinton County is a rural, agricultural and industrial based central Indiana community with a population of approximately 35,000 people. The Clinton County Drug and Alcohol Coalition began as an outgrowth of the Drug-Free Schools and Communities funding and membership was limited to those individuals serving on the four county school corporations Drug Free Schools Committee. Due to this structure, the funding for programs was limited to the student population. In 1993, the coalition was reorganized in order to network with other individuals and agencies in working together towards a common goal of improving the quality of life in Clinton County through community awareness of the abuse, availability and dependency of its citizens on alcohol, tobacco and other drugs. The Clinton County Drug and Alcohol Coalition strives to promote comprehensive local alcohol, tobacco and drug abuse prevention initiatives by supplementing local funding for education/prevention, treatment/intervention and criminal justice efforts.

The Clinton County Drug and Alcohol Coalition meets **January, February, April, June, August, and October on the 3<sup>rd</sup> Friday at noon at the Clinton County Courthouse in the Commissioners Conference Room.** All meetings are open to the public and must comply with Indiana's Open Door Law. Grant applications are accepted once a year in January. The funding cycle is January 1<sup>st</sup> through December 31<sup>st</sup>. Membership is open to any individual, organization or corporation that desires to be part of the coalition. An active, voting member of the Coalition is defined as any individual, organization or corporation who is actively involved in pursuing the goals of the Coalition and attends at least four of the six meetings per year.

**\*Meeting dates for 2014 will be: January 17, March 21, May 16, July 18, Sept 19, and Nov 21. Grant Applications must be submitted by January 3 and will be awarded at the January 17 meeting. Location for all meetings this year will be at 51 W. Clinton (United Way Building) in the Community Room.**

### **Membership:**

Membership in the Clinton County Drug & Alcohol Coalition is open to any individual, organization, or corporation who desires to be part of the Coalition. An active, voting member of the Coalition is defined as any individual, organization, or corporation who is actively involved in pursuing the goals of the Coalition, and attends at least four Coalition meetings. Grantees awarded funding must attend 3 meeting per year and turn in their final report of their grant to the committee.

The Coalition Coordinator shall establish a Coalition Committee to assist in the development, writing, monitoring, and reporting procedures of the Comprehensive Community Plan. The committee shall review coalition initiatives under a.) Prevention b.) Treatment and c.) Criminal Justice. The Coalition Committee will also review the Coalition financial reports and grants submitted to the coalition.

## **Function as a Coalition**

A formal arrangement for collaboration between groups or sectors of a community, in which each group retains its identity but all agree to work together toward a common goal of building a safe, healthy and drug-free community.

It is the responsibility of the Coalition Committee and its respective chairperson to identify how Coalition resources can most effectively be targeted and utilized in their particular aspect of Coalition activity. It is further their responsibility to establish monitoring and reporting procedures in each respective area to the Coalition and the Coordinator. This will assist the Coalition Coordinator in developing, preparing, and reporting the Comprehensive Community Plan.

Once the Comprehensive Community Plan is written, it shall be presented to and approved by the Coalition Committee, prior to submission to the State.

### **Conflict of Interest Statement:**

Members of the Clinton County Drug & Alcohol Coalition are knowledgeable and active members of the community in the areas of substance abuse prevention, education, treatment, and criminal justice. Thus, conflicts of interest are natural and expected.

Any Coalition member who feels they may have any conflict of interest in any Coalition activity should notify the Coalition and Coordinator, and remove him or herself, if deemed necessary, from voting on these particular issues. The Coalition may determine by majority vote that a member has a conflict of interest in any particular issue.

This does not preclude, however, any voting member of the Coalition from voting on any general Coalition issue, such as approval of the Comprehensive Community Plan.

### **Organizational Structure/Monitoring:**

The Coalition, on a bi-annual approval basis, shall contract with a part-time paid coordinator to conduct Coalition business. Coalition members will determine the

Coordinator's salary on a year-to-year basis. The Coordinator will be chosen by vote from the membership board. The Coordinator will serve a two-year term. At the end of the term the board can reappoint the coordinator or seek new leadership. The Coordinator's responsibilities shall be defined as, but not necessarily limited to, the following:

Plan, organize, conduct, document, and report regular Coalition meetings as previously defined.

Annually prepare the Comprehensive Community Plan with necessary addendums (as voted by the Coalition) for approval by the State, Clinton County Council, and Clinton County Commissioner's. The plan will be based upon a Community Needs Assessment.

Report on Coalition activities to the Clinton County Council and Clinton County Commissioner's on a quarterly basis.

Act as liaison between the Governor's Commission and our local community Coalition.

Oversee the Coalition Committee, and be available to advise and monitor the progress of the committee.

Establish and monitor reporting procedures of programs and entities receiving funding from the Coalition.

Prepare and conduct public awareness presentations and materials, as approved by the Coalition.

Any other duties and responsibilities as directed by the Coalition.

The Clinton County Auditor shall administer the local drug free funds in accordance with established law and procedure, and shall be responsible for reporting to the Coalition on an as requested basis.

It is further the responsibility of the Coalition Coordinator, Clinton County Auditor, each Coalition member, and each entity receiving Coalition funding, to comply with federal, state, or local law application.

**Summary of the Comprehensive Community Plan:** In 2006, a Strategic Prevention Framework Committee was established to assess, plan, implement and evaluate the efforts of the Clinton County Drug and Alcohol Coalition efforts to reduce the abuse, availability and dependency of its community members on alcohol, tobacco and other drugs. The committee gathered community data that consisted of: juvenile and adult substance abuse arrest data, survey results, school data regarding expulsion & out of school

suspensions, law enforcement data relating to meth labs, availability of resources, accessibility to resources and county economic factors. The committee then examined the data and identified target populations, risk factors concerning the abuse, availability and dependency of alcohol, tobacco and other drugs. Gaps in resources were also examined. After examining the data, it was determined that the middle school and high school population should be the main focus of the plan. It was also discovered that the medical community needed to be encouraged to become involved in the education/prevention process. Problem statements, objectives and goals were centered around these issues and a plan was formulated to promote education/prevention, treatment/intervention and law enforcement/criminal justice efforts in Clinton County.

## Membership List

**County LCC Name: Drug and Alcohol Coalition**

#	Name	Organization	Race	Gender	Category
1	Nancy Ward	Probation	Caucasian	Female	Judiciary
2	Leslie Douglass	LCSW, LLC	Caucasian	Female	Treatment
3	Jeff Ward	Sheriff	Caucasian	Male	Law Enforcement
4	Eric Spencer	Corrections	Caucasian	Male	Judiciary
5	Justin Hunter	Superior Ct	Caucasian	Male	Judiciary
6	Cathy Hamilton	Auditor	Caucasian	Female	Government
7	Nancy Elsea	Purdue Ext.	Caucasian	Female	Education

## Problem Identification

**A. Problem Statement #1:** Middle school and high school aged students are using alcohol, marijuana, tobacco, and prescription drugs.

**B. Supportive Data:**

1. Reported from the Probation office for Juveniles: 53 substance abuse arrests; 27 males arrested; 8 females  
Violations for failed drug screens are 23  
Adults: 294 substance abuse arrests; 91 for failed drug screens.
2. Indiana Prevention Resource Center reports for 2011- 18.1% of 12<sup>th</sup> graders use cigarettes 40+ times with 57.4% never. 7.3% of 12<sup>th</sup> graders use smokeless tobacco 40+ times with 75.8% never. 20.2% of 12<sup>th</sup> graders use alcohol 40+ times with 33.5% never. 15.1% of 12<sup>th</sup> graders use marijuana 40+ times with 60.3% never. 1.1% of 12<sup>th</sup> graders use tranquilizers 40+times with 93.6% never. 1.8% of 12<sup>th</sup> graders use OTC 40+times with 89.4% never.
3. No updated TRIP
4. The LCC plans to conduct a county survey and enlist the help of all school corporations along with The Crossing (Alternative school in our county).
5. In the 2011 school year Frankfort Middle School reported 6 drug (marijuana) offenses, 1 alcohol and 2 tobacco. Clinton Central High School reported 2 drug offenses, 0 alcohol, 6 tobacco/chew and has had trouble with huffing. Reports were not received from Frankfort High School, Clinton Prairie, or Rossville.

**End of Year 1 Update:**

1. Reported from the Probation office for Juveniles: 279 arrests-57 were drug/alcohol/tobacco related.
2. IYI Kids Count Data Center reported Cigarette use in the past month by age group in Indiana-age 12-17-2008-09-11%, 2009-10-9% Age 18-25-2008-09-41%, 2009-10-40% Use of Alcohol or Drugs in the past year age 12-17- 2009-10-7%, 2010-11-6% Use of Illicit Drugs other than Marijuana Age 12-17-2008-09-5%, 2009-10-5% Age 18-25-2008-09-9%, 2009-10-8%
3. No updated TRIP
4. The LCC plans to conduct a county survey and enlist the help of all school corporations in the spring of 2014.
5. In the 2012 school year Frankfort High School had 1 drug and 1 alcohol offense. Rossville High School had only 1 drug offense and no reports came back from the remaining schools.

**Year 2 Update:**

1. **Reported from Probation Office for Juveniles: 254 arrests, 54 were drug related and 26 were alcohol related.**
2. **IYI Kids Count Data Center reported**
3. **No updated TRIP**
4. **The LCC has not conducted a county survey.**
5. **In 2013 school year Frankfort High School reported 1 drug and 0 alcohol offenses. That was the only school that reported back.**

**Final Update (end of Year 3):****C. Goals:**

1. Reduce the number of juvenile arrests for alcohol, marijuana, tobacco, and prescription drugs.
2. Reduce the number of youth reporting use of alcohol, marijuana, tobacco and prescription drugs.

**End of Year 1 Annual Benchmarks:**

1. In an effort to get prescription drugs off the streets the local Sheriff Dept. has a drop off box for prescription drugs in their office to dispose of them.
2. Frankfort and Rossville schools were the only ones to give us a report of offenses and they were 1 drug & 1 alcohol for Frankfort and 1 drug offense for Rossville.

**End of Year 2 Annual Benchmarks:**

1. **In an effort to get prescription drugs off the streets the local Sheriff Dept. has a drop off box for prescription drugs in their office to dispose of them**

**2 Frankfort was the only school to give us a report this year and they had 1 drug and 0 alcohol**

**Final Report (end of Year 3):**

#### **D. Objectives:**

1. Promote community awareness by providing materials and visibility regarding alcohol, marijuana, tobacco and prescription drugs (health fairs, county fair, public service announcements, press releases, displays at public buildings)
2. Provide education to parents through health fairs, special programs and other educational opportunities.
3. Provide funding to community organizations and schools to implement proven prevention strategies.
4. Get medical community involved with prevention and education by partnering with Healthy Communities (a county group which meets on a monthly schedule).
5. Support law enforcement to reduce accessibility and youth use of alcohol, marijuana, tobacco, and prescription drugs.

#### **End of Year 1 Update:**

1. **Our group continued to promote community awareness and provide education to parents in the community by being a presence at local programs and health fairs. Support local law enforcement through our grants.**
2. **Provided funding through our grants to local community agencies. Coach Kids provided a program called "I C Kids Drug Free" which had their mentors working one on one with elementary students with ipads, which have drug prevention applications. Coach Kids works in 3 elementary schools in our county. Learning to Lead was also provided a grant to assist the High School youth of our community to become leaders in our community and focused on an anti-bullying presentation in all 4 school corporations reaching over 2000 students.**
3. **We have not been able to connect with the medical community as much as we had planned but will continue to work on this in the coming year.**
4. **We continue to support local law enforcement by providing a grant for their Drug Interdiction Project. In 2011 & 2012 (Jan-Sept Sale/Manufacturing & Possession Arrests totaled 6) for persons 18 years and younger. Local Sheriff's Dept has a drop off box for disposing of prescription drugs located at their office.**

5. **Celebrate Recovery meets every Friday evening at the First Church of the Nazarene in Frankfort. AA groups meet weekly at 51 W Clinton St.**

#### **End of Year 2 Update:**

1. **Our group continued to promote community awareness and provide education to parents in the community by being a presence at local programs and health fairs. Support local law enforcement through our grants.**
2. **The Learning to Lead Program (one of our funded grantees) has provided students to mentor other students which according to studies if teens are mentored they might be less likely to engage in risky behavior.**
3. **Still have not connected with the medical community, but will continue to work on this.**
4. **Local Sheriff's Dept has a drop off box for disposing of prescription drugs located at their office.**
5. **Celebrate Recovery has resumed meetings on Friday evening at The 1<sup>st</sup> Church of the Nazarene in Frankfort. AA meetings continue at St Vincent Hospital & 51 W Clinton in Frankfort.**

#### **Final Update (end of Year 3):**

**A. Problem Statement #2: Meth arrests and lab seizures have increased over the last several years.**

**B. Supportive Data:**

1. In 2007, the Indiana State Police reported 10 meth lab seizures.
2. In 2008, there were 4 meth lab seizures in Clinton County.
3. In 2008, there were 3 arrests for Possession of Meth, 3 arrests for Dealing in Meth, 1 arrest for Possession of a Chemical Reagent and 5 illegal Meth labs.
4. In 2012, 9Meth arrests and 3 labs found.

**End of Year 1 Update:**

1. In 2012 10 Meth labs seized in Clinton County.

**End of Year 2 Update:**

1. In 2014 the county reported 2 meth labs and the city confirmed 6 but with that said, countless more went undetected.

**Final Update (end of Year 3):**

**C. Goals:**

1. Decrease the amount of meth lab in the county.
2. Decrease meth related crimes.

**End of Year 1 Annual Benchmarks:**

1. Clinton County Law Enforcement is using their grant for Drug Eradication which has resulted in exposing meth labs in our county.

**End of Year 2 Annual Benchmarks:**

1. Clinton County Law Enforcement is using their grant for Drug Eradication which has resulted in exposing meth labs in our county.
- 2.

### **Final Report (end of Year 3):**

#### **D. Objectives:**

1. Promote community awareness by providing materials and visibility regarding Meth (health fairs, county fair, public service announcements, press releases, displays at public buildings).
2. Support implantation of Meth Watch and Meth - Free Indiana Coalition efforts in Clinton County.
3. Support law enforcement efforts to reduce meth related problems.

#### **End of Year 1 Update:**

1. Continue to promote community awareness. Support local law enforcement through our granting process.
2. Have really not had an opportunity to do this.
3. Granted money to law enforcement to help in this effort.

#### **End of Year 2 Update:**

1. Continue to promote community awareness. Support local law enforcement through our granting process.
2. Same as before.
3. Granted money to law enforcement to help in this effort.

### **Final Update (end of Year 3):**

**A. Problem Statement #3: Adults in Clinton County use marijuana, non-prescription (OTC)/prescription drugs, cocaine, tobacco, and synthetic drugs. Adults also abuse alcohol through drinking and driving.**

#### **B. Supportive Data:**

1. The Frankfort Police Dept had the following Drug and Alcohol arrests for 2008: Poss of a Legend Drug, Precursor: 5, Dealing Cocaine/Narcotic: 16,

Dealing Marijuana: 5, Poss of Marijuana: 18, Visiting/maintaining a common nuisance: 15, Dealing in Schedule I, II, III Controlled Substance: 8, Poss of Cocaine: 3, Poss of a Controlled Substance: 13, Public Intoxication: 84, Poss by Consumption: 23, Poss of Alcohol by Minor: 16, Operating While Intoxicated: 74. The Clinton County Sheriff's Dept provided no information.

2. 65% of Violation of Probation is due to failed drug screens.
3. The local counseling center provided the following data: Number of clients 18 and over receiving treatment in 2008: Opioid: 5, Cocaine: 10, Cannabis: 11, Amphetamine: 3, Polysubstance: 49, Other: 1, Alcohol: 26, Sedative: 1, Phencyclidine: 2. Total served over age 18: 146.

### **End of Year 1 Update:**

1. The Frankfort Police Dept. had the following Drug and Alcohol arrests for persons over the age of 18 for 2012: Sale and Manufacturing Cocaine-1, Marijuana-0, Synthetic drugs-2 and other-11. For Possession of the following Cocaine-4, Marijuana-9, Synthetic drugs-0 and other-7. For a total of 34.  
The Clinton County Sheriff's office had the following: Sale & Manufacturing Cocaine-0, Marijuana-3, Synthetic drugs-0 and other-3. For Possession: Cocaine-2, Marijuana-22, Synthetic drugs-1, and other-2. For a total of 33.
2. No report on the percentages of Violations of drug screens.
3. The Counseling Center reported they had 215 clients for Substance abuse treatment. 38 patients were under 18 and 177 were over 18. Of the under 18- 13 were Alcohol, 16 were Marijuana/Cannabis, and 9 were other drugs. Of the over 18- 60 were Alcohol, 52 were Cannabis, and 65 were other drugs (mostly opiates & nicotine).

### **End of Year 2 Update:**

1. For 2014 Sale & Manufacturing of Cocaine for City & County 1 each, Marijuana City-4 County-1, Synthetic City-2 County-0, Other City-4 County 3. Possession totals Cocaine for City-12 County-5, Marijuana City-27 County-29, Synthetic City-4 County-2, Other City-8 County-5
2. There were 216 adult substance abuse arrests and 89 violations for failed drug screens reported by Clinton County Probation.
3. We have not received a report from Community Counseling. The Director left that position and have not been able to contact some one to get this report.

### **Final Update (end of Year 3):**

#### **C. Goals:**

1. Increase marijuana related arrests.
2. Increase cocaine and narcotic related arrests
3. Reduce the number of people driving impaired and alcohol related arrests.
4. Reduce the number of people using prescription/nonprescription drugs.

### **End of Year 1 Annual Benchmarks:**

1. Continue to support community awareness on the local level and support local law enforcement. Police Dept has had several public awareness messages on local radio and the newspaper.
2. Sheriff's Dept. has sponsored several Prescription Drug drop off sites along with a drop of box at their office.
3. AA groups continue to meet in our community and at the local hospital. S.A.F.E. meets with adults both in and out of jail. Celebrate Recovery meets weekly at the Nazarene Church.
4. Sheriff's Dept has a Prescription Drug drop off site at their office.

### **End of Year 2 Annual Benchmarks:**

1. Continue to support community awareness on the local level and support local law enforcement. Police Dept has had several public awareness messages on local radio and the newspaper.
2. Sheriff's Dept. has sponsored several Prescription Drug drop off sites along with a drop of box at their office.
3. AA groups continue to meet in our community and at the local hospital. S.A.F.E. meets with adults both in and out of jail. Celebrate Recovery meets weekly (Fridays) at the Nazarene Church. Also meeting at the Nazarene Church is a new group for teens called The Landing. They meet on Friday evenings.
4. Sheriff's Dept has a Prescription Drug drop off site at their office.

### **Final Report (end of Year 3):**

**D. Objectives:**

1. Promote community awareness by providing materials and visibility regarding cocaine, marijuana, non/prescription/prescription drugs, and drunk driving (health fairs, county fair, public service announcements, press releases, displays at public buildings).
2. Support law enforcement efforts to reduce cocaine, non-prescription/prescription (OTC) drugs, cocaine, marijuana, and synthetic drug related issues.
3. Provide financial support for law enforcement saturation patrols and equipment to detect drunk driving.
4. Provide financial assistance to treatment/intervention programs and services.

**End of Year 1 Update:**

- 1 Continue to promote community awareness by providing printed materials at community events such as school and hospital fairs.**
- 2 Sheriff's Dept sponsored Prescription drug drop off programs along with a drop box at their office.**
- 3 A grant was provided to the police dept for Drug Eradication Initiative. Grant numbers as of June 2013 were: total number of stops 9, number of citations 1 (driving while suspended), number of warnings issued 3, number of PBT's conducted 1, number of DRE's conducted 0, Physical arrests warrant, Operator never licensed, Possession of Marijuana, and 2 Possession of Schedule I Controlled Substance, and number of SFST's conducted 1. This was in 8 hours dedicated to the grant.**
- 4 Grants were provided to the Community Counseling Center for treatment for juveniles and adults. Also money was granted for Thinking for a Change program in the Jail.**

**End of Year 2 Update:**

- 1 Continue to promote community awareness by providing printed materials at community events such as school and hospital fairs.**
- 2 Sheriff's Dept sponsored Prescription drug drop off programs along with a drop box at their office.**
- 3. For 2014 Sale & Manufacturing of Cocaine for City & County 1 each, Marijuana City-4 County-1, Synthetic City-2 County-0, Other City-4 County 3. Possession totals Cocaine for City-12 County-5, Marijuana City-27 County-29, Synthetic City-4 County-2, Other City-8 County-5**
- 4 No reports were received from Community Counseling Center.**

### **Final Update (end of Year 3):**

**Next Annual Update Due: November 2015**

**Next Comprehensive Community Plan Due: November 2015**

**Date of Community Consultant Review: November 30, 2012**

### **Disclaimer:**

You agree that the information provided within this Plan is subject to the following Terms and Conditions. These Terms and Conditions may be modified at any time and from time to time; the date of the most recent changes or revisions will be established by the Commission and sent electronically to all Local Coordinating Councils.

### **Terms and Conditions:**

The information and data provided is presented as factual and accurate. I hereby acknowledge that I can be asked to submit proper documentation regarding the data submitted within the Plan. Failure to do so could result in a “denied approval” by the Commission under IC 5-2-6-16.

The Local Drug Free Communities Fund must be spent according to the goals identified within the plan. I hereby acknowledge that I can be asked to submit proper documentation regarding funds that are collected, allocated, and disbursed within the county. Failure to do so could result in a “denied approval” by the Commission under IC 5-2-6-16.

**Our Coalition meeting dates for 2014 will be January, March, May, July, September, and November the 3<sup>rd</sup> Friday of the month at Noon in the Commissioners Room at the Clinton County Courthouse. The January meeting will be meeting at 51 W Clinton St (United Way Building) all other meetings will be at the Courthouse in the Commissioners Room.**

**Initials: JJJ**
